

Hogg Construction

"I do want to compliment the construction team that did a great job from the demo work through occupancy.. The project was completed in a timely manner with deadlines met."

*- Katrina A. Musser, Business/Administrative Manager,
York County Convention Center and Visitors Bureau*

Project Highlights

- Downtown office renovation
- Preserving the historic nature of the building, the brick walls were left exposed
- New ADA restrooms
- Metal roof panels were used as partition wall for an unique feeling in the space
