

Hogg Construction

A. Duie Pyle, Inc. Manchester, PA

"Dealing with Hogg Construction, we feel we've gotten a quality building. It was completed on time; the entire time controlling cost, which is a very important consideration for us."

*- Rich Massi,
Owner*

Project Highlights

- 43,000 square foot freight transfer station, office, and maintenance facility serving Northeastern United States and Canada
- Concrete tilt-up panel construction
- Project finished 1 month ahead of schedule despite difficult winter weather
- Project was delivered within budget
