

**Hogg Construction**

# St. Paul's Evangelical Lutheran Church

Aberdeen, MD

*"The outstanding product Hogg has provided speaks for itself. The Hogg process and all of your competent, caring, dedicated, and experienced professionals made it happen. We were also pleased with the work of all the subcontractors who were conscientious and productive throughout the building phase. We can hardly wait until we have the funds to move into Phase II of our master plan so we can work with you again."*

*-Walt Clifford,  
Building Committee Chairperson*

## Project Highlights

- 2008 ABC Excellence Award Winner.
- Original church was built by Hogg Construction in 1964.
- New 8,800SF addition and renovation including a 2,700SF education wing utilized for Sunday school classes.
- Red oak cabinets and prefinished doors through out the addition.
- Project completed on time and under budget.
- St. Paul's Evangelical Lutheran Church remained open and fully operational during construction.
- Hogg's Safety and Security Program was implemented with extreme care to ensure the safety of the children, church members, employees, and community.
