

*"We are all delighted with our new facility provided by your company, Hogg Construction. We are well on the way to becoming a landmark facility again in this new place, with your help. Communication was excellent as well, resulting in us getting just what we ordered in every detail."*

*- Robert W. Johnson  
President & Chairman of the Board*

## Project Highlights

- First state-of-the-art drive-through lumberyard on the east coast
- 67,600 sq. ft. warehouse and office space
- Spacious open aisles
- Pre-engineered building with split face façade
- SmartBuild<sub>sm</sub> System integrated owner's design with budget realities
