

Hogg Construction

Schmitz Press Sparks, MD

"I cannot say enough about your team of fine and conscientious individuals, and I would be happy to recommend Hogg Construction without any reservations. From start to finish, this project was one of complete and total satisfaction."

- Paul Schmitz, President

Project Highlights

- New 10,500 square foot addition
- Existing facility remained open during construction
- State of the art HVAC systems to meet special humidity requirements
- Zero Punch list System used throughout the project
