

Hogg Construction

Integrity Bank York, PA

“From the start to the completion of the project, your people worked with us to meet our requests on the renovations of a property that is listed on the National Historic Registry. The completed branch facility has received glowing comments from the community and is a centerpiece of downtown York’s renaissance.”

- Steven P. Welty, Regional Vice President, Integrity Bank

Project Highlights

- Historic renovation
- Skillful creation of granite counters and marble flooring giving way to an open, elegant bank facility.
- Completed in only 95 days.
