

# Annapolis EP Church and Annapolis Area Christian School

Annapolis, MD

*"It was clear that your company intended not only to build something that met our needs, but to work with us as a partner in producing a structure of quality and beauty. We could not have asked for more considerate, thoughtful treatment, and responsiveness to our needs."*

*- C. Michael Hoffman  
Director of Church Operations*

## Project Highlights

- Hogg developed initial master plan—completed phase-one construction and multi-phase master plan process
- SmartBuild<sub>sm</sub> System integrated budget, aesthetics, and space needs into a workable plan
- Complicated 17,000 square foot addition in the heart of the existing church/school facility
- Excellence Award winner for quality and high owner satisfaction
- Handled complex and stringent environmental, storm water, and sanitary issues due to the site being adjacent to Chesapeake tributary
